

Now
you can

customize your comfort

WHAT DO YOU WANT YOUR
RECLINER TO DO?

Rock your socks off?

Rock-a-bye and good night.
Our Recliner-Rocker feature will
rock you into a dreamy state.

Recline just inches from the wall.

Tight on space? With a Reclina-Way feature you
can lean waaaay back without hitting a wall. In fact,
you can fully recline just inches from any surface.

Swivel and glide!

Comfort has come full circle with our
Reclina-Glider feature. It lets you spin 360°,
glide smoothly and still fully recline.

Need a lift!

Want a lift? With our
Luxury-Lift feature, it not
only lets you kick back,
it also helps you up.

How about a massage!

Massage anyone? Our AirSpa and La-Z-Touch
features let you really relax with 2, 6 or 10
motors offering relaxing massages and heat.

Customize your options and get the recliner you really want.

reclining tension

Strongest
frame construction
for long lasting durability

Secure
3 position
locking footrest
for safety & support

Want a new handle?

With our sleek and ergonomic brushed Arc handle design, reclining is more stylish than ever.

Like doing 360's?

Just add a swivel base and spin-out a full 360° for high-performance relaxation.

Need an easier reach?

Our elongated handle is easy to reach and easier to use with an added 2" for effortless reclining.

Are you a lefty?

No problem. We can move the handle to the other side so comfort is always within reach.

Got long legs?

Extended legrests are available on most of our non-chaise styles so you can stretch out and relax.

Coffee anyone?

From rich coffee, to light and natural hues, you can even choose the wood finish on select recliner styles.
