your sense of style
and **within your budget**

Dream it. Create it. Love it.

Free design assistance
in your home or in our store.

If you ask us, picking out new furniture should be fun. And, when you work with us, it is. We make the process as easy as possible by helping you envision what your furniture and your room will look like. Visit us today to create a single sofa or an entire room. We'll help you bring it all together.

Your dream.
Our reality.

Quickly and easily bring your dream rooms to life in amazing 3D visual reality. Customize furniture styles and fabrics, change the room shape, add windows and doors... anything you can do in a real room, you can do on the La-Z-Boy 3D Room Planner!

What inspires you?

color

What colors appeal to you? From sophisticated neutrals to fun and vibrant hues, we'll help you choose a color palette that will set the stage for your entire room.

style

Whether you're traditional or modern or somewhere in between, we'll help you create a room that's as unique as you are.

texture

From fabrics and leathers to wood, metal and glass, use a combination of elements to express your style.

mood

Use color, lighting and texture to create the perfect mood. Let our knowledgeable design consultants show you how.

Our furniture anchors a room.
Our accessories tie it all together.

- 1 **Tables** From entertainment centers to end tables, our artfully crafted tables are always in good form.
- 2 **Lamps** Our illuminating collection of table and floor lamps are designed to make your home more radiant.
- 3 **Accents** From decorative accessories to wall art and mirrors, our unique accents add a personal touch to any room.
- 4 **Rugs** Lay the foundation for a beautiful room with a warm and welcoming rug and turn your floor into a work of art.
