LA-Z-BOY REALIGNS UPHOLSTERY GROUP MANUFACTURING

MONROE MI, August 22, 2002 – La-Z-Boy Incorporated (**NYSE, PCX: LZB**) today announced that its Bauhaus USA, Inc. unit, will be expanding its manufacturing operations in order to meet rising demand. Bauhaus, which produces upholstered furniture with a lifestyle flair, serves the department store market as well as independent furniture dealers. Bauhaus was acquired by La-Z-Boy in 1999 and currently operates four facilities in the greater Tupelo, Miss. area.

The expansion will involve the assumption of two facilities, also located in the greater Tupelo area, currently being operated by another La-Z-Boy unit – HickoryMark. HickoryMark was acquired as part of the LADD acquisition but has been experiencing declining volume and profitability. HickoryMark will build out its backlog and cease manufacturing on October 25, 2002. Bauhaus will begin manufacturing its products in these facilities on October 28, 2002. The company will absorb the cost of the transition in its second fiscal quarter results and has not changed its recently announced earnings guidance.

La-Z-Boy president and chief executive officer, Jerry Kiser, said, “The strong sales performance of the Bauhaus product line demands further production capacity than is currently available. This redeployment of our assets will enable the company’s Upholstery Group to continue to meet the increasing demand for its highly popular lifestyle products, as well as improve its delivery times and service capabilities. We will strive to make this transition as seamless as possible for HickoryMark customers and employees.”

HickoryMark employees will have the opportunity to apply for a reduced number of jobs that will be created by Bauhaus at its Sherman and Myrtle, Miss. facilities.

Kiser added, “We are committed to continually evaluating our ongoing businesses to provide high quality competitively priced products to our customers and reasonable returns for our shareholders.”
