WILTSHIRE NAMED PRESIDENT OF LA-Z-BOY RETAIL

MONROE, MI, December 12, 2005 – La-Z-Boy Incorporated has appointed Mark Wiltshire to the newly created position of president of the La-Z-Boy retail division. Wiltshire previously was vice president and general manager for the division, which directs and manages La-Z-Boy Furniture Galleries® stores owned by La-Z-Boy Incorporated. Wiltshire will manage the growth of the company-owned network as well as oversee the development, operations and profitability of the 61 company-owned stores, including those in high-impact markets Chicago, Washington D.C. and Boston. Wiltshire reports directly to CEO and president, Kurt Darrow, in this role.

The La-Z-Boy retail division is one of the company's three core business segments, along with upholstery and casegoods. This realignment demonstrates the company's continued focus on the retail business as a key strategic initiative.

"Retail continues to increase in importance in our overall business mix, and Mark has been instrumental in the development of this segment," said Darrow. "I'm confident that Mark's deep and varied retail experience will ensure further success as we aggressively open and integrate more stores into our network."

As president of La-Z-Boy retail, Wiltshire will manage 14 direct reports and more than 1,200 employees.

Wiltshire has played an instrumental role in La-Z-Boy's rapid expansion of company-owned stores as vice president and general manager for La-Z-Boy retail. In this role, he overhauled the marketing strategy and instituted a uniform merchandising program across the network. He will continue to focus on streamlining the division's operations as part of his overall responsibilities as president of the division.

Wiltshire previously spent three years as vice president of sales and marketing for La-Z-Boy Canada Limited, where he oversaw the growth of the Canadian La-Z-Boy Furniture Galleries network and doubled sales within a five-year period. Prior to that, Wiltshire was the national sales manager of La-Z-Boy Canada Limited.

Wiltshire joined La-Z-Boy in 1997, bringing with him significant retail experience, most recently serving as the merchandise and marketing manager for Canada at Cantrex Buying Group. In that position, he led the national advertising and merchandising programs for over 1,000 independent furniture and bedding dealers across Canada. His store management experience includes time spent as general manager at the 11-store chain The Bedroom Shoppe's as well as Leon's Furniture in Weston, Ontario.

Forward-looking Information

Any forward-looking statements contained in this news release are based on current information and assumptions and represent management's best judgment at the present time. Actual results could differ materially from those anticipated or projected due to a number of factors. These factors include, but are not limited to: changes in consumer confidence, changes in demographics, changes in housing sales, the impact of terrorism or war, energy price changes, the impact of logistics on imports, the impact of interest rate changes, the effects of the ruling on tariffs by the U.S. Department of Commerce and potential disruptions from Chinese imports, the availability and cost of capital, the impact of imports as it relates to continued domestic production, raw material price changes, changes in currency rates, competitive factors, operating factors, such as supply, labor, or distribution disruptions including changes in operating conditions or costs, effects of restructuring actions, changes in the domestic or international regulatory environment, not fully realizing cost reductions through restructurings, ability to implement global sourcing organization strategies, the future financial performance and condition of independently owned dealers that we are required to consolidate into our financial statements or changes requiring us to consolidate additional independently owned dealers, the impact of new manufacturing technologies, the impact of adopting new accounting principles, fair value changes to our intangible assets due to actual results differing from projected, the impact of severe weather, factors relating to acquisitions and other factors identified from time to time in the company's reports filed with the Securities and Exchange Commission.
