

# Stuffed Socks Snowmen

## Ingredients

- 2 long white socks
- White string or yarn
- Hot glue gun and hot glue
- 2 buttons
- Cotton stuffing or uncooked rice
- Red or green cloth
- 1 orange and 1 black fine tipped permanent marker

## Directions

1. Cut the top from one of the socks.
2. Discard the top portion and turn the remaining bottom portion inside out.
3. Fill the sock with cotton stuffing or uncooked rice.
4. Use white string or yarn to tie off and close the open end of the sock.
5. Tie a piece of white string or yarn around the middle of the filled sock to create the head and body of the snowman.
6. Cut a 1 ½" wide piece of red or green fabric and tie it around the neck of the snowman to create a scarf.
7. Cut the toe portion off of the second sock approximately halfway between the heel and the closed end of the sock.
8. Fold up the cut end of the sock to create a hat for the snowman.
9. Place the hat on the head of the snowman.
10. Using black and orange fine tipped permanent markers, draw the eyes, nose, and mouth on the face of the snowman.
11. Using hot glue, adhere two buttons to the body of the snowman.
